

WILSON KABANGI

PROFESSIONAL SUMMARY

Dedicated Software Engineering student with 8 months of intensive experience in frontend development through the ALX program. Currently expanding expertise into backend development through self-directed learning and structured programs. Passionate about building full-stack solutions with a demonstrated ability to learn quickly and adapt to new technologies.

EDUCATION & ONGOING PROFESSIONAL DEVELOPMENT

ALX Software Engineering Program

Frontend Development Track

Duration: 8 months (2024 - Present)

- Intensive coding training with focus on frontend development
- Participated in numerous coding projects and challenges
- Developed strong problem-solving and debugging skills

Ongoing Technical Training

- Enrolled in FreeCodeCamp Backend Development curriculum
- Applied for ALX Backend Development program
- Self-directed learning in full-stack development technologies
- YouTube lessons for the Backend Development courses.

Goethe Institute

German Language Studies

- Achieved A2 Level Certification
- Developed strong communication skills in German

TECHNICAL SKILLS

- Frontend Development:
 - HTML5, CSS3
 - JavaScript
 - Responsive Web Design
 - Version Control (Git)
 - Frontend Frameworks
 - API Integration
 - Web Deployment
- In Progress:
 - Backend Development fundamentals
 - Server-side programming
 - Database management
- Programming Fundamentals

- Problem Solving
- Debugging
- Technical Documentation
- Collaborative Development

PROJECTS

Weather Application (2024)

- Developed and deployed a responsive weather application using modern frontend technologies
- Implemented real-time weather data fetching through API integration
- Deployed on Vercel platform: `wetter-app-wilsonnkabangis-projects.vercel.app`
- Technologies used: HTML, CSS, JavaScript, Weather API
- Features include current weather conditions and responsive design
- Here is the link to the site [weatherdashboard app](#)

LANGUAGES

- English (Fluent)
- German (A2 Level)

CERTIFICATIONS

- ALX Frontend Development
- German A2 Level Certification
- FreeCodeCamp Backend Development (In Progress)
